8 November 2017

Dear Parent/Guardian,

In order for your child to be prepared for the 2018 academic year, it is important to purchase textbooks and stationery in advance. For your convenience, we have attached all the required information in this regard hereto. Please take note that you have the option of sourcing the required items yourself or by using PNA as our preferred supplier for 2018.

In this information pack you will find the following:

1. Sacred Heart College Textbook list for 2018 – this list stipulates the exact textbook requirements per subject for each grade. (Annexure 1)
2. Sacred Heart College Stationery requirements for 2018 – this list stipulates the exact stationery requirements per subject for each grade. (Annexure 2)
3. PNA textbook order form – this form allows you to order the required textbooks per subject directly from PNA (specifically for the Sacred Heart College requirements). (Annexure 3)
4. PNA stationery order form – this form allows you to order the required stationery per subject directly from PNA (specifically for the Sacred Heart College requirements). (Annexure 4)

Important points to remember:

- PNA is our preferred supplier for 2018. You are not, however, expected to purchase solely from them.
- For PNA purchases, **payment must be made directly to PNA and not to the school's account**
 - Please make sure you make payment into the correct store's account, depending on where you placed the order.
- Please adhere to textbook instructions carefully (i.e. where it says "hardcopy ONLY"). In such cases, learners will not be able to use the electronic version in lessons because they may differ slightly from the hardcopy.

- Some of the textbooks for 2018 will once again be available digitally on the Snapplify platform. This includes a dedicated online store for the College with prescribed books per grade at <https://sacredheart.snapplify.com>. In addition the Snapplify Engage platform comes inclusive of 76 000 free books and the infrastructure to support the sharing and distribution of other learning materials. Snapplify also makes provision for flexible licensing, that includes a year long license for certain books, that greatly reduces cost and the hassle of having books you no longer need. Purchase of the books requires the creation of an account and payment with a credit card or via EFT. If you have already created an account in 2017 you will not have to recreate or renew it. Once the books have been purchased they can be viewed and accessed on the Snapplify app for iPad.

If you have any questions or queries, or need clarification on any of the information contained in herein, please do not hesitate to contact me directly.

Regards,

Mrs. M. Pillay
