# How to determine what your fees will be.

Sample calculation:  
Children in Gr 11 and 3

Step 1	Decide how you want to pay your fees and if you want to benefit from any of the discounted options.	Monthly payment option for the oldest child in Gr 11 Levies R 9540 +Fees R 10040x10 months. +R6160 Maintenance + magazine R455
Step 2	Look up the fees and levies for your oldest child on the table based on your choice.	
Step 3	Add R6160 for the Maintenance levy and R 455 for the magazine.	
Step 4	Sign the annual contract addendum to inform the finance team of your preference and indicate your preferred payment method.	
Additional steps to consider		Total R116555
Step 6	Look up the fees and levies for any other children you have enrolled on the table based on your choice.	The Gr 3 child's fees would be a fees calculated as ((R7622x10)x90% ) +levy of R 13 450 +Material levy for Gr 11 R1566 +Subject levies for Gr 11 (Afr, Art & Sci) R1340 = R84954
Step 7	Multiply the fee amount by 90% for a second child, 80% for a third child and 50% for any other children and add this total and the levies to your calculation.	
Step 8	If any of your children are in the High School, look up the material levies for their grade on the table below and add that amount to the total. (This takes the place of textbooks in some subjects).	
Step 9	If any of your children are in the senior high there are also sometimes subject levies of between R250 and R750.	
Other costs you may incur		Total R201509
Gr R-12	Uniforms, textbooks and stationary.	Uniform items vary in price and can be purchased at a different retailers.
Gr 4-12	Each year in these grades, the children have a camp experience. The costs vary per grade but the average cost is R2200.	
Gr 7 and New learners	We have an iPad 1:1 implementation in the High School. All grade 7 students and new high school students are expected to purchase an iPad that meets the minimum specification. The College also offers parents a system which allows them to pay for the iPad in instalments. The cost of the iPad is approximately R5500.	The Gr 11 camp costs, locker hire would be added to the total.
Gr 7-12	Lockers can be hired at a cost of R180 per annum.	Benchmark tests costs for both children will be billed at the start of the second term and are payable by the end of the term.
Gr 3-11	The College participates in Australian Council of Educational Research international benchmark test for English, Mathematics Reasoning and Science (Science tests are only conducted up to grade 7). The grade 11 learners write the leBT in mathematics and physical science tests cost R180 per subject but are not added to the levy because all subjects are not examined each year.	
Gr 10-12	Independent Examination Board fees for grade 12 examination costs are divided over three years. This cost increases over the three year period and the cost next year is R2200.	The Gr 11 child would also be charged a third of their matric exam fee R 2200
Gr 12	Additional subjects over and above the normal 7 subjects will be at an additional charge of R1134 per subject. Advanced Programme Maths and Advanced Programme English are charged in addition at a rate of R945 per candidate.	

In the scenario on the right, payment for levies of R22990 would be due on the 31st of January. The monthly fees would amount to R17904.40  
Optional and additional costs would include uniforms, camp fees for the Gr 11 child, benchmark test costs for both children and the IEB Gr 12 exam fees.

## Optional and other costs

High School	Material levies	School transport routes	Monthly cost
Grade 7	R1458	Edenvale / Greenstone	R400
Grade 8	R1458	Killarney	R320
Grade 9	R1458	Melville	R420
Grade 10	R1566	Johannesburg South Comaro Crossing	R600
Grade 11	R1566	Parkview	R420
Grade 12	R1566	This service operates in the morning only. Please contact the finance office for registration and details	

**Contract:** Before 25 January of each year, parents need to have renewed their contract with the school by signing the annual Learner Registration Form in which they must have indicated their choice of one of the four options in the table above.

**Cash Payments:** For safety and security reasons, parents are requested **not** to pay their school fees in cash at the College. The College will charge a **5% handling fee on all cash payments in excess of R1000** for fees paid at the College.

High School Subject levies	Grade 10 - 12
All subjects	R300
Dramatic Art additional cost	R520
Visual Art additional cost	R450

**Notice period:** Parents are reminded that they are under contractual obligation, they are required to give a term's notice in writing (addressed to the Section Principal) if it is their intention to remove their child/children from the College. Alternatively, they need to pay a term's fees in lieu of notice.

An Application processing fee for Academic Accommodations is charged for each individual learner who applies. This is an IEB expense charged to the parent via the school .

### Aftercare

The College offers an Aftercare Programme which operates daily from 13h00 - 17h30, catering for learners from Pre-Primary to Grade 6. Aftercare is divided into two sections – Pre-Primary School and Primary School. Learners will be given a snack.

The Aftercare fees are R3,800 per term or R1,300 per month. For occasional attendance, fees are R140 per afternoon (from 14h00 – 17h30) or R90 per session (from e.g. 14h00 – 15h00). All monthly and/or daily fees will be indicated on the official College statement sent to parents towards the end of each month. Parents are charged a penalty if they fetch their child after 17h30.

Billing starts from 14h00 for Pre-Primary and 15h00 for Foundation Phase and Intermediate Phase. Co-curricular activities are part of the school day.
