Success

My definition of a successful person when I was in Grade 11

- Big house
- Lots of expensive cars
- Lots of fancy holidays

My definition of a successful person now

- A person who is has a plan and is purposeful
- Someone who takes action, actionability, and responsibility
- Ability to work quickly and efficiently – “makes things happen”

Conclusion

01

Take responsibility

02

Have a plan

03

Act decisively

“The road to success is always under construction”
